The Convenient, Easy Way to Pay Your Utility Bills

What is AutoPay?

AutoPay is a service offered by the City of Park Rapids that allows you to have your quarterly utility bill paid automatically from your checking account. Your bill is paid on the due date of your bill without any effort on your part. AutoPay is provided at no cost to you.

How Does AutoPay Work?

You will continue to receive your quarterly bill, which will note that your bank account will be drafted. This will give you time to review the charges on your bill before your account is drafted. The total amount of your bill will be deducted from your checking account on the due date of your bill.
