REQUEST FOR VARIANCE

VARIANCE: This is a request for relief from certain provisions of the ordinance when, due to the particular physical surroundings, shape or topographical condition of the property, compliance would result in a hardship upon the property owner. A hardship is distinguished from a mere inconvenience or desire to increase the value of the property. A variance shall not be used to permit a use in a district where it is not allowed under the terms of the ordinance. After review and recommendation by the City Zoning Administrator, a public hearing will be conducted by the Planning Commission to act upon this request. All property owners within 350 feet of your lot line will be notified by mail of the public hearing date and time.

VARIANCES SHALL ONLY BE PERMITTED WHEN THEY ARE IN HARMONY WITH THE GENERAL PURPOSES AND INTENT OF THE OFFICIAL CONTROL IN CASES WHERE THERE ARE PRACTICAL DIFFICULTIES OR PARTICULAR HARDSHIP IN THE WAY OF CARRYING OUT THE STRICT LETTER OF ANY OFFICIAL CONTROL, AND WHEN THE TERMS OF THE VARIANCE ARE CONSISTENT WITH THE COMPREHENSIVE PLAN.

The Planning Commission and Board of Adjustment shall consider the criteria set forth below when passing upon a variance request:

- Has the applicant demonstrated a hardship? Hardship means that the property cannot be put to a reasonable use under conditions allows by the Zoning Ordinance. Economic considerations alone do not constitute a hardship.
- Are the exceptional circumstances unique to this property, which were not created by the landowner?
- Can the variance be granted without upsetting the purpose and intent of the Zoning Ordinance?
- Can the variance be granted without altering the essential character of the surrounding area?

The Planning Commission, at the public hearing must make an affirmative finding on all of the 4 criteria listed above in order to recommend the granting of a variance to the City Council. The applicant for a variance has the burden of proof to show that all of the criteria listed above have been satisfied. A variance shall not be granted for a use that is not permitted under the Zoning Ordinance.

The Planning Commission may recommend that the City Council impose conditions upon a variance that relate to the purposes and objectives of the Zoning Ordinance. The City Council may impose conditions and the variance shall not be effective until the conditions are fully complied with. A conditional variance shall be in effect only as long as the condition is complied with. If a condition is not complied with, the variance may be revoked and the city may pursue the enforcement remedies set forth in § 151.999.
